# 5+5mm Reeded Texture Laminated Glass Partition Wall

5+5mm reeded laminated glass is one panel of 5mm tempered reeded glass and one panel of 5mm flat tempered glass bound together a PVB interlayer film. The reeded tempered glass is safety and decorative glass with well-established, popular, vertical, ribbed design and privacy protection. Reed glass add a touch of elegance to your interior and exterior design. Unique patterns and textures can be featured in partition wall applications to add obscurity for privacy or for decorative use as a primary design element. All of our glass product is available in sheets or cut to size. Decorative pattern glass is becoming increasingly popular in homes, welcome to contact us to custom your reeded glass partition.

Why Reeded Glass for Partition Wall

Classic good looks
Classic design never goes out of fashion, and the fluted structure adds a spacious, open feeling to any space, looking just as good today as it will do in 10 years time. Ideal for offices and corporate spaces, as well as the home, reeded glass is a highly versatile glass with genuine style.

Crystal clear clarity
Reeded glass can be processed by low-iron glass, whose clarity and brilliance will make any interior or exterior feature really shine. The subtle structured patternand the smooth vertical lines of reeded glass offer any home or office a sense of timeless elegance.
Protect Privacy
This decorative glass is crafted with smooth vertical patterns providing an elegant combination of visibility and privacy. Reeded glass solves the problem of creating privacy while still maintaining light and airy interior spaces, it is ideal for internal rooms where the desire for space and privacy meet.
